The diagram shows a block of XML code enclosed in a rectangular box. Several numbers are used as annotations:

- 20 is at the top right of the box.
- 202 is at the start of the first line of code.
- 206 is at the end of the first line of code.
- 208 is at the end of the brace grouping the file connection and FAX transmission sections.
- 210 is at the end of the brace grouping the FAX transmission section.
- 204 is on the left side, pointing to the start of the code block.
- 202' is at the bottom right of the box.
